DEATH STAR™ TRENCH RUN

STAR WARS

Lock your S-foils in attack position

The Death Star is seconds from blasting Yavin 4 and the Rebel Base out of existence. Only Luke Skywalker can launch the perfect attack to save the galaxy. With Darth Vader dead on his tail, Luke, urged by the voice of Obi-Wan Kenobi, switches off his targeting computer...

**"The Force is strong with this one."
– Darth Vader**

75329 Death Star™ Trench Run Diorama

The Trench Run scene from *Star Wars: A New Hope* always gives us the chills and, for the first time, we're recreating part of it in this vibrant diorama. Capture the seconds that mark the beginning of the end for the Empire – and feel free to add your own cool galactic battle sound effects!

The LEGO® *Star Wars*™ Diorama Collection is inspired by and dedicated to *Star Wars* fans and our favourite defining moments in the saga. (You may use the Force to build, but the power of the Brick Clutch is already strong with this one.)

Enjoy building!

Jens Kronvold Frederiksen

Creative Director, LEGO® *Star Wars*™

Out-maneuvring Darth Vader

Obi-Wan has told Luke that his father was the best pilot in the galaxy but as the Trench Run scene plays out, we have no idea that Luke is, in fact, up against said pilot and father. In addition to the cinematic dynamics of the battle scenes, the moment is crucial to the dynamics between the characters.

A 3D action experience

Have you ever noticed the complexity of the Death Star design as you watched *A New Hope*? Based on the movie and artwork by designers Joe Johnston, Dan O'Bannon and Ralph McQuarrie, the model details the intense drama and action in the climactic battle. Now you can freeze the scene and zoom in on every detail.
