# DAGOBAH™ JEDI™ TRAINING

STAR WARS

## Ready for Jedi training you are

Who else tried to use the Force after watching Luke Skywalker and Jedi Master Yoda levitate rocks and Luke's X-wing starfighter in the murky jungles and swamps on Dagobah in *Star Wars: The Empire Strikes Back*? Because you never know – it might just work.

**"Do. Or do not. There is no try."  
– Master Yoda**

### 75330 Dagobah™ Jedi™ Training Diorama

Dagobah's reptilian, amphibious and mysterious lifeforms generate the living Force, both light and dark. It's the perfect Jedi training location, and Yoda and his cozy, humble hut make the eerie bogs feel like home to Luke (and us) as we get a sense of the peril that awaits Luke on his Jedi journey.

The LEGO® *Star Wars*™ Diorama Collection is inspired by and dedicated to *Star Wars* fans and our favorite defining moments in the saga. Get your Jedi feet wet as you soak up the atmosphere of Dagobah's living Force.

Enjoy building!

**Jens Kronvold Frederiksen**  
Creative Director, LEGO® *Star Wars*™

# ENTRAÎNEMENT JEDI™ SUR DAGOBABH™

**STAR WARS**

## Prêt pour l'entraînement Jedi, vous êtes

Qui d'autre a essayé d'utiliser la Force après avoir vu Luke Skywalker et le maître Jedi Yoda faire léviter des pierres et le chasseur X-wing de Luke dans les jungles et les marais obscurs de Dagobah, dans *Star Wars : L'Empire contre-attaque* ? On ne sait jamais, ça pourrait bien marcher.

**« Fais-le. Ou ne le fais pas. Mais il n'y a pas d'essai. »  
– Maître Yoda**

## 75330 Diorama de l'entraînement Jedi™ sur Dagobah™

Les formes de vie reptiliennes, amphibies et mystérieuses de Dagobah génèrent la Force vivante, à la fois claire et obscure. C'est le lieu idéal pour l'entraînement Jedi, et Yoda et son humble et confortable hutte donnent à Luke (et à nous) l'impression d'être en terrain familier dans ces marais sinistres, tout en laissant entrevoir le péril qui attend Luke dans son périple de Jedi.

La collection de dioramas LEGO® *Star Wars*™ est inspirée par nos moments marquants préférés de la saga et par les amateurs de *Star Wars*, à qui elle est dédiée. Plongez dans la peau d'un Jedi en vous imprégnant de l'atmosphère de la Force vivante de Dagobah.

Bonne construction !

**Jens Kronvold Frederiksen**  
Directeur de la création, LEGO® *Star Wars*™

# ENTRENAMIENTO JEDI™ EN DAGOBABH™

**STAR WARS**

## Listo para el entrenamiento Jedi estás

¿Quién más trató de usar la Fuerza después de ver a Luke Skywalker y a Yoda, el Maestro Jedi, hacer levitar rocas y el caza estelar X-wing de Luke en la espesa selva y los turbios pantanos de Dagobah en *Star Wars: El Imperio Contraataca*? Porque, nunca se sabe, podría simplemente funcionar.

**“No. No intentos. Hazlo, o déjalo”. – Maestro Yoda**

## Diorama: Entrenamiento Jedi™ en Dagobah™ (75330)

Las misteriosas, reptilianas y anfibias formas de vida de Dagobah generan la Fuerza Viviente, tanto oscura como luminosa. Es el lugar ideal para el entrenamiento Jedi. Yoda, con su humilde y acogedora cabaña, hace que los espeluznantes pantanos se sientan como un hogar para Luke, quien comienza a tomar conciencia de los peligros que enfrentará en su camino para convertirse en Jedi.

La Colección de Dioramas LEGO® *Star Wars*™ está dedicada a los fans de *Star Wars*, e inspirada en ellos y en nuestros momentos decisivos favoritos de la saga. Sentirás la humedad en tus pies de Jedi cuando te animas a sumergirte de lleno en la atmósfera de la Fuerza Viviente de Dagobah.

¡Que disfrutes la construcción!

**Jens Kronvold Frederiksen**  
Director creativo, LEGO® *Star Wars*™

## Building Jedi Master skills

Even after sensing the cold, death and fear in the dark side cave on Dagobah, Luke can't begin to grasp how much he still has to learn. Building Jedi Master skills takes years, and Luke and Yoda's patience, and several other items, hang in the balance as time runs out and their actions and decisions spark events that determine the fate of the galaxy.

## Acquérir les compétences d'un Maître Jedi

Même après avoir été confronté au froid, à la mort et à la peur dans la Grotte du Mal de Dagobah, Luke ne peut pas mesurer tout ce qu'il lui reste à apprendre. Le développement des compétences de Maître Jedi prend des années, et la patience de Luke et de Yoda, ainsi que plusieurs autres éléments, sont en jeu alors que le temps file et que leurs actions et décisions déclenchent des événements qui déterminent le destin de la galaxie.

## El desarrollo de las habilidades de un Maestro Jedi

Incluso después de percibir el frío, el miedo y la muerte en la cueva del lado oscuro de Dagobah, Luke no alcanza a imaginar lo mucho que le queda aún por aprender. Desarrollar las habilidades de un Maestro Jedi lleva años, pero en esta ocasión, lo que menos abunda es el tiempo. Hay muchas cosas en juego, incluidas la paciencia de Luke y Yoda, porque saben que sus acciones y decisiones detonarán eventos que serán determinantes para el destino de la galaxia.

## With you it can be done

The diorama captures the frustrations and hope in Luke's trials, failures and triumphs in the deep wetland woods and takes you into this memorable scene with all its distinctive details. Add your own energy, let the bricks bind together and feel the Force around you as you build.

## Avec vous, cela est possible

Le diorama illustre les frustrations et l'espoir que suscitent les épreuves, les échecs et les triomphes de Luke dans les bois profonds des zones humides et vous plonge dans cette scène mémorable avec tous ses détails distinctifs. Ajoutez votre propre énergie, laissez les briques s'assembler et ressentez la Force autour de vous pendant que vous construisez.

## Siempre se puede

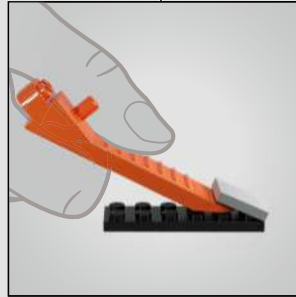

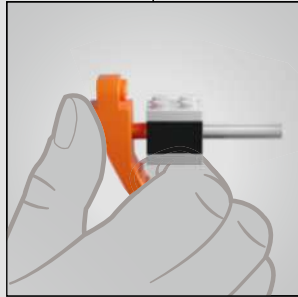

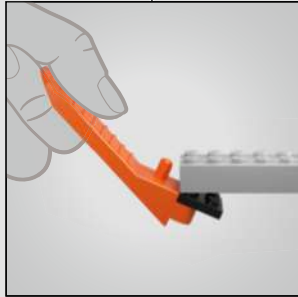

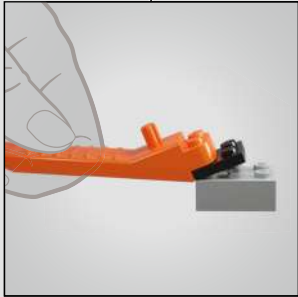

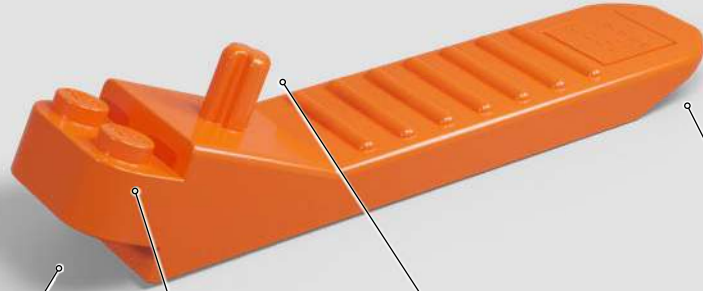

Este diorama captura las frustración y esperanza de los muchos intentos, fracasos y éxitos de Luke en las profundidades de la selva de humedales y te traslada a esta memorable escena con todos los detalles que la caracterizan. Aporta tu energía, deja que los bricks se conecten entre sí y siente cómo la Fuerza te rodea mientras construyes.
